Incision

VIANINI

Da oggi Vianini mette a tua disposizione una nuova tecnologia per la lavorazione della pietra naturale, lanciando la prima linea "incision". Innovazione rivoluzionaria che ti permette di realizzare le tue idee su diversi materiali, le stesse soluzioni possono essere create su vetro, cuoio, legno e metallo.

A te la scelta!

From today Vianini offers you a new technology for the processing of natural stone, throwing the first line "incision." Revolutionary innovation that allows you to realize your ideas on different materials, the same solutions can be created on glass, leather, wood and metal.

The choice is yours!
